

A FABULOUS INVITATION TO YOU

by the Rubicon Forest Protection Inc (RFPGInc)

You are cordially invited to join our
inaugural free
Rubicon Forest Tour

Yes, it's short notice...this Saturday 17th December

Morning only

9.30am - 12.30pm

Fabulous learned guides

Ann Jelinek & Ken Deacon

Self driver/car pooling (2 Drive OK) with nothing to bring.

Meet at 171 Rubicon Rd Thornton (Ken & Di's)

Come along and see beautiful old sections of pre 1939 Forest that sits on top of a remnant super volcano the Cerberian Caldera that was active some 365 million years ago and who's eruptions were some of the biggest on earth. <http://www.rubiconforest.org/aboutrubicon>.

Hear of visions for Historic Rubicon Sites and Mt Bullfight's alpine area's, it's viewpoints and luscious 'beeches'.

See Australia's first open aqueduct hydro system still powering 4 stations today using the one body of water. Trolley trams and massive trestle bridges. Learn about the little known but infamous Elephant Rock and Royston Falls

What more could a person want in a morning? Listen, smell, breath that pure mountain air.

Please join us and discover the magic of our Forest.

Enquiries or you'd like to come along then let us know info@rubiconforest.org or call
