## Rubicon Dam Walk - April 28, 2018

### 9.30am to 1.30pm, 10km return walk

Enjoy a scenic and historic walk following the old tramline along an easy gradient from the Royston Power Station to the Rubicon Dam in the Rubicon Valley Historic Area, 10km return.

Tour leader Ken Deacon has a wonderful knowledge of the majestic Rubicon forests and the history of the Rubicon Hydro system that winds through the Rubicon State Forest. Walk amongst the trees and learn about the diverse ecology that is unique to this area of Victoria.

**Tour Leader :** Ken Deacon

**Start :** Meet at 171 Rubicon Rd Thornton (Ken Deacon & Di Robb's farm)

**Transport:** Self drive/car pooling to start of walk (2-wheel drive cars are fine)

**Bring:** Sturdy shoes; jacket (it can be several degrees colder up the mountain than in the valley); snacks and water; sunhat & sunscreen.

**Fitness:** Good balance & relative fitness enabling 2 - 3 hours walking on moderately undulating track strewn with bark and sticks; approx 10kms along the old tramline
